

The Calgary Regional Partnership Has a Draft Regional Plan

We Want to Share it With You and Hear Your Comments.

Your local council and the members of the Calgary Regional Partnership worked with stakeholders to prepare a draft plan for the Calgary region. This plan will guide our development for the next 60 to 70 years.

Please join the planners and representatives from your community at one of the open houses below to learn more about the draft regional plan and provide your comments. Residents are invited to attend the most convenient session.

Short presentations will be made at each open house every hour.
